Dear Club,

Christmas is meant to be the season of good will to all men. Rachel, my girlfriend, certainly does her best, if last Crimbo was anything to go by. We had hired a little cottage in Wales for a few days in order to escape all the family feuding crap. Our desolate stone hovel was outside a small Welsh village, and we arrived laden with enough food and booze to last an army a month. The idea was to get rat-arsed

SOCK IT TO ME!

Dear Club,

I've written to you a few times before, and even had a couple of letters published, but I don't think I've ever written about a Reader's Girlfriend before. I don't skip past them, but they usually get less attention than the proper models. Lola didn't though – she got a lot of attention. She's cute, without a doubt, but what caught my eye was those socks. That's my thing right there – gorgeous. Lots more girls in long socks, please!

Ron, Surrey

We understand that completely, Ron. There's definitely something about a girl in a pair of knee-highs. We'll have a word with our sock department and get them working overtime...

and fuck each other's brains out for four days before returning to reality.

I've been seeing Rachel for three years now. She's a stunner, 25 with long red hair, a pert 34C bra size and long, slender legs that look simply great slung over my shoulders. It's a figure that could easily grace the pages of your mag. Rachel's a classic exhibitionist, and she loves wearing sexy clothes, especially if they show off as much of her awesome tits and long legs as possible.

She'd brought the lot to the cottage and the very first night treated me to a lovely fuck in front of the open fire dressed in silky stockings, a black basque that pushed her boobs out and a pair of shiny, patent heels. Lying on my back watching her knockers bounce around as she straddles my dick is one of my favourite positions. The way she grips my cock with her pussy muscles on the way up, and then slams back down onto my crotch with a squelch really gets me going. Rachel loves to lift her sopping cunt clear of my knob just as I cum so that my spunk splashes her cunt and soaks her thighs as she rubs her sperm-lubed clit until she climaxes all over my crotch. Fantastic!

"Let's go for a drink in the village pub," Rachel said as we wiped ourselves off and cuddled on the rug.

"What for? We've got all the alcohol we need and I thought we could get another screw in tonight," I moaned.

"Don't worry, we will, but I want to check out the local talent first," she said with a smile.

Half an hour later we pulled into the carpark of this tiny country pub. I could see Rachel was still wearing her heels and stockings, but what the fuck had she got on under that huge coat? The bar had a huge log fire on the go and about five old farm boys huddled round it, trying to keep out the winter chill. I went to the bar with Rachel and she slipped out of her voluminous coat. I nearly choked on my cigarette! Not only was she wearing a ridiculously short mini-skirt, but also a see-through blouse and a jet black bra which gave her a massive cleavage.

The geriatric landlord just gawped at her tits as I gave him my order and looked round. The group of OAPs by the fire seemed frozen in time, their pints poised between their mouths and the table as they stared in disbelief at this vision of horniness before them.

"What the fuck are you doing?" I hissed as

Rachel wriggled her arse onto a bar stool, exposing an acre of bare thigh and lacy stocking top to the still awestruck locals.

"Ah, come on, misery guts, it's Christmas!" she said as she slowly and deliberately sashayed past her audience on her way to the ladies. I sat there as red as a beetroot while the assembled old geezers winked and smiled at me, before returning their attention to Rachel as she emerged from the toilet. You could see her arsecheeks clearly through the taut Lycra of her skirt, as well as the subtle mound of her pussy. As she positioned herself on the stool she leant over the bar towards the landlord, giving him a close-up view of those huge heavenly tits.

"This'll warm you up better than any fire," Rachel announced and slowly opened her legs, causing the hem of her skirt to rise up her thighs. The men looked at me then back to the vision before them as we realised she wasn't wearing any knickers and her gorgeous shaven muff was naked for all to see.

"Getting hotter, boys?" Rachel said in her best slut's voice and eased her pussy open with her fingers, showing off the moist insides of her twat to the strangers, before sliding a finger in between her cunt lips. This was disgusting! My girlfriend wanking her gash in front of a bunch of blokes old enough to be her grandad! Rachel slipped off the seat, her finger still wedged inside her hole and undid the buttons on her blouse with her other hand. She then eased each breast from her bra in turn until she stood in the middle of the pub lounge, jerking her slit with her heavy boobs swinging in front of her.

I could see a couple of the guys slyly fumbling with their trousers as Rachel wanked herself faster and faster, tossing her long hair from side to side as she grunted and panted towards orgasm. My own dick was as hard as rock watching my babe perform her filthy act.

Luckily, none of them made a move towards her, because I wouldn't have known whether to step in at that point or not. They just leered at her swinging tits and sopping fanny as she opened her thighs wider and squelched two, then three, fingers in and out of her streaming pussy. Rivulets of girl cum dribbled onto her hand as she worked her cunt – she loved showing off to these lucky old boys!

With a yell she came, her legs shaking as the waves of lust burst through her body. The moans and satisfied sighs coming from her

YANKING OUR CHAIN!

Dear Club,

Anneli, Dani and Jenny in the same issue – I think they're the three girls I voted for in the last Girl of the Year awards. Nice work, but I think one of them might get bumped down to fourth if you keep putting Ryan in your magazine. I'm not usually big on Yanks, but that girl is something else!

Eric, Cheshire

Yep, we were well chuffed with the amount of amazing girls we crammed into our last issue. Just when you think you've seen them all, another babe arrives on the scene. We don't think this issue is too shabby either, plenty of time for your top three to change a bit!

audience indicated at least two of them had cum in their trousers, and seeing her love juice drip onto the bare wooden floor nearly made me shoot my load and all!

"Happy Christmas, boys!" Rachel smiled, pulling down her skirt and stuffing her tits back into her bra. She pulled on her coat, grabbed my arm and we hurried through the door, back into the freezing cold night, before anybody had a chance to say anything. I started the car and we drove in silence to the cottage. Rachel stroked my still-rigid cock through my trousers and said, "I think it's time you gave me a present now."

I did, as soon as we got inside, and we've relived every moment of Rachel's slutty performance as part of our fuck sessions ever since. It's partly why I've sent this to you now, in time for your Christmas issue. I want to warm Rachel up and see how far she'll go this time. Shame Christmas only comes but once a year!

COURTNEY ♣

Love for Courtney...

Courtney's *Club* debut is long overdue, something we can only put down to massive incompetence on our part. I mean, she's been around for a couple of years, so what the hell were we playing at?

"Don't beat yourselves up," the 21-year-old Texan tells us, "I'm just happy to be in my favourite British mag at long last. I'm not sure about how you Brits spell things, but damn your girls are hot. I might have to come over for a vacation so I can check some of them out in the flesh. You'll pass me their cell numbers, yes?"

Only if we can come and watch. And as for how we spell things? Well, it is called English dear. We had it first... ♣

Very jolly hols...

Ryan is a very amenable girl. She knew we wanted to shoot some new photos of her, and she didn't let the fact that she was on holiday stop her – she invited us out for a few days. Of course, she's also a very professional girl, so it was all about the photos, and then we went on our merry way. We didn't get asked to apply any sun cream or keep her company in her villa bedroom. Oh well, you can't have everything... ♣

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

POUND OF ASS!

My ex-boyfriend is the hottest, sexiest man I know. He's not good for me, which is why I broke up with him, but the sex is so hot that I just can't seem to give it up. The post break-up sex started with an inappropriate text, with Neil saying that his cock was missing my Saturday morning blowjob.

"You shouldn't have been such an arsehole," I replied.

"I am an arsehole," he admitted, "but it's a bit harsh to punish my cock for something that's my fault." I laughed.

"I never had a problem with your cock. It was the rest of you I had a problem with." After a flurry of texts, I agreed to meet Neil's cock. "There'll be no kissing and cuddling afterwards," I warned. "This isn't leading anywhere, it's just sex."

"That's all my cock ever wanted from you." We arranged to meet in a hotel, which was exciting in itself. I'd never imagined myself going to a hotel with no intention of spending the night. "It's just sex with my ex," I thought, as I walked across the lobby and into the lift. However, there was something about the arrangement which made me feel like a prostitute. My outfit certainly contributed to that feeling, consisting as it did of a tight white blouse and short black skirt with no underwear because Neil's cock didn't see the point of unnecessary clothes. With no bra, my hard nipples were obvious for anyone who cared to look and I was wet between my legs by the time I reached the room.

I knocked. "It's not locked," Neil called from inside. My heart was pounding against my ribs even before I caught the reflection of Neil lying naked on the bed with his hard cock standing up to attention. "He's pleased to see you."

"Looks like it," I said, clocking the meagre furniture in the room – an old armchair, badly upholstered in bobbly green, was the only place to sit while I unbuckled my kinky shoes.

"Leave them on," Neil instructed as I went to sit down. "You can take off your clothes but I want you to leave your shoes on and wear these." I looked back to where Neil was sitting on the bed. He was stroking his

cock with one hand while offering a couple of items in black patent leather.

"You really expect me to wear a collar and leash?"

"I didn't expect you to even turn up but the fact that you're here and not wearing any knickers... well, I took it as a good sign." Neil gave me a lopsided grin. I'd never really seen him like this; he'd always been so stressed when we were a couple. "But I'd love for you

and pulled on my breasts. My body was primed after such an extended build-up and I couldn't help but groan as he twisted my nipples as though playing with old radio dials. My breasts bounced as he finally let go of my tender teats. "Someone wants to say hello," he said, taking hold of my leash.

Applying downward pressure, Neil forced me to my knees. It felt so good to let him control me that goose bumps rose over my entire body before I came level with his cock. I'd never seen it so hard and eager, so excited and pleased to see me.

"Stick out your tongue," he demanded.

I obeyed immediately and tasted Neil's salty pre-cum as he forced a drop of liquid out from his big, hard cock. Sitting still, I let Neil rub his cock back and forth along the rough surface of my tongue, opening my mouth wider as he pushed it inside. I'd sucked Neil's cock dozens of times over the previous months but it had never been as exciting as letting him push his cock into my mouth in that hotel room as he held me in place with a

to put your collar and leash on and squat beside the bed with your legs open wide so that I can see your beautiful pussy." My excitement spiked as I thought about following the instructions, about showing my pussy to my ex-boyfriend. As soon as he saw how wet I was, he'd know that he could do anything he wanted to me.

Turning my back, I stripped naked, watching Neil in the mirror as I put the collar around my neck and clipped the leash onto the fastening. My knees felt shaky as I turned to face him, exposing my rock-hard nipples. I could see that Neil was delighted with my appearance. He looked at my tits and my shaved pussy, which was no doubt glistening with wetness. Subtly bending my back, I thrust my breasts forward and struck a pose.

Without saying a word, Neil slid off the bed so that he could inspect my body more closely. It made me feel self-conscious but I gasped with genuine pleasure as he got close enough for his cock to brush across my thighs. Moments later, it wasn't just Neil's cock touching me as he pinched my nipples

leash. My fingers pushed down between my legs. I felt molten inside, with my pussy positively creaming. As I masturbated furiously, it was alarming how easily I took Neil's cock into my mouth and throat. I'd never done that for Neil before and each time his cock bumped into the back of my throat, he groaned.

Soon the groans were all I was thinking about – about how I could join them up into one big groan. I was close to orgasm but wanted to wait for the hot spurt of spunk in my throat. I started moving against Neil's thrusts, which made him cum long and loud, with his cock jerking as it fired spunk into my throat, mouth and over my tits. I came too in a twisting, snarling bliss which had my body aching and arching in absolute ecstasy.

I thought we were done, as sex had always been limited to one orgasm with Neil. Apparently things had changed. "Now get on all fours," he ordered, his cock all eager and hard again.

"Yes sir," I replied, happily getting into position. Neil's hand gently rubbed across my

smooth arse and I wondered whether he was going to spank me.

"There's something else my cock wants to do. Somewhere it wants to go," he added, just as his fingertip touched my arsehole. I was glad that Neil couldn't see my face since I blushed cherry red as I realised what he was intending to do to me. Although he took his time applying some kind of lubricant to my bum hole, he didn't touch the hot spot between my legs. At first I didn't dare touch it but eventually I simply had to and it felt wonderful as I fingered my pussy while Neil fingered my bum. "I'm going to try sticking it in," he announced. I breathed in deeply with

expectation and excitement. Lowering my face to the stale carpet, I bit down on the leash as blunt pressure bore down into my bottom. Even if it didn't go in, it would still be fuel for my masturbation fantasies.

Finally, Neil said, "I think it's gone in." I wasn't so sure but then he pulled away and I felt every ridge and crest bump through my tight arsehole. Neil's cock really was inside my bottom and my muscles gripped instinctively as he tried to withdraw. I wasn't sure what would happen next, but decided to go with anything Neil wanted to do, since he was paying for the room and the experience. He

took a firm grip of my hips and proceeded to pound my arse. It was shocking but the shocked feeling didn't linger. This was exactly the kind of uninhibited sex I'd been hoping for when I agreed to meet up with my ex. Good, hard filthy sex – the kind of sex you crave but never seem to get.

"Oh God, yes!" I yelled. "Fuck my ass!" No doubt my filthy words transferred some of the shock I had been feeling to the people in the neighbouring rooms. I didn't feel any need to hold back – there would be no recriminations since I was going to leave without even bothering to shower first. The idea of being in public covered in Neil's drying spunk with my arse throbbing gave me a delicious almost-orgasm. Within seconds the real thing made my body jump and shiver as Neil's cock emptied into my bum.

"That was amazing," Neil sighed, his face dangerously close to mine.

"Hey! Don't get any funny ideas," I protested, wriggling out of range of his kisses. "This is just sex."

"What happened to 'Yes Sir'?" Neil asked, sounding disappointed.

"That only works when your cock's hard. Is he going to get hard again?" We both knew the answer to that question. I didn't want to stay and talk but there was something that I needed to make the encounter perfect. "I need money for knickers," I said, holding out my hand. Neil shook his head in wonder as he unfurled a couple of notes. "Pretty knickers," I added firmly. "Don't worry, I won't wear them next time I see you."

ANAL LIAISON!

I sent him the picture because I knew it would drive him mad with desire. When it comes to

sex, men are weak, while women are strong – if you know how to play the game. He'd told me that we were over, that we weren't allowed to talk on the phone. I wasn't allowed to send text messages, and emails were way too dangerous. "You can't send anything which leaves a trail," he'd said.

"What about you?" I'd asked smartly. "What about the trail of spunk you left running down between my legs?" He'd looked down for a moment and I knew he was thinking about

sent the picture of me lying on the hotel bed with two lubricated fingers wedged deep in my ass. It took almost an hour, but the knock at the door came as I knew it would.

"What are you doing to me?" he asked. For a minute, I thought he was going to cry. When it came to me, he really couldn't help himself.

"You don't have to stay long," I said, using my most soothing tone. "Just fuck my tight little ass and run home to your wife."

"I don't need this kind of shit right now,"

“You don't have to stay long. Just fuck my tight little ass and run home to your wife...”

the last time he had fucked me. It might have been quick but it had been satisfying for both of us. The danger of discovery always seemed to make sex with John more rewarding. Apparently John's wife had been getting too close, nosing around his email and mobile phone, perhaps sensing that something was going on.

"I don't know what's set her off," John complained.

"Perhaps she thinks you're fucking your secretary again."

"Perhaps."

"And are you?"

"That's none of your business," John said. In actual fact, I already knew that John was fucking his secretary on Tuesday and Thursday afternoons. The perfume that she likes to wear is light and lemony – a contrast to the sandalwood John always wears.

The secretary was part of the challenge. I like challenges and the challenge was to make John keep fucking me despite the fact that he knew it was a really bad idea and that he obviously had other options. "We can't keep meeting up like this. We can't do this anymore," he said with false determination in his voice. "I can't keep seeing you. I can't take a chance on losing everything just because I can't keep my cock out of you."

"It's your choice," I said. That was when I

John shouted, suddenly angry.

"So why are you here?"

"Because you're the best thing in my life." If I was the best thing in John's life, his life must have got pretty shitty all of a sudden. I thought about leaving him alone. There was a little part of me that felt sorry for him, but then I decided to fuck him anyway. I liked what we had.

"Come-on, you'll feel better after a good shag." I undid the silky bathrobe and let it fall off my shoulders. John looked as though he was wrestling with some inner turmoil, as though he was trying to ignore my naked body. Perhaps he was trying to be a better man than he really was. It's hard for a man to make good decisions when a naked woman is offering herself to him. Stepping forward, I pushed the suit jacket off his shoulders. The sandalwood was there but the light lemony scent of John's secretary was on his lapel. "She hugged you before you left the office." John looked startled. "I really like the way she smells."

Perhaps we should have a threesome?"

John couldn't help but smile. "You know she'd kill me if she knew I was cheating on her." The adrenaline started pumping through me as I thought about the possibilities of getting caught – perhaps the secretary was a bigger threat than John's wife.

"I'd protect you." His face crinkled into a smile as his eyes wandered over the

curves of my body.

Tucking my hair behind my ears, I emphasised the swell of my breasts. John loved my breasts and the sexual energy started to flow between us. I let him touch them and feel their soft weight. His eyes were glued to my form and he didn't say another word as he stopped thinking about the problems in his life and just let himself

go. Although he didn't know it, that was the real reason why John kept coming back to me. Pushing my hand down the front of his trousers, I pinched the top of his stiffening cock between my thumb and fingers. Suddenly, his tie was coming off and his shirt; the belt was unbuckled and the trousers were flung over the chair by the mirror, which I had used to capture the view of my bottom. John might have forgotten all about his wife as he stripped but I hadn't. I smiled; I'd won again.

Saying nothing, I moved my hand up and down the length of his hard penis, making the purple bulb of his glans repeatedly appear and disappear. I didn't want to make him spunk like that but it gave me the sense that I was in control.

"Bend over," John growled. Excitement shivered through me. I liked it when John thought he was in control. I bent over and shot him a coy glance over my shoulder as I spread my knees, catching a perfect view of my arse in the mirror. That was what he was seeing and the view reminded me to drop my shoulders down onto the bed so that my bum was the highest point of my body.

"Like this?" I asked innocently.

Without a word, John guided his cock

“He was in me, his cock stretching my arse wide as he buried himself to the hilt in one stroke”

into the slippery crease between my buttocks. My bottom was defenseless and I took a fortifying breath as he lined himself up. And then he was in me, his cock stretching my arse wide as he buried himself to the hilt in one swift stroke. My fingers curled into the sheets as the force of John's thrusts threatened to launch me up the bed. I needn't have worried since the grip of his hands on my hips was enough to stop me escaping as he pulled me back onto his dick. I was his fuck toy; a fantasy made real as he pounded into me with animalistic lust.

He never lasted long when he was in my bum but there was something determined about the way he set about fucking me that afternoon. His cock was an unstoppable piston and I realised that I might be able to orgasm before he finished. Furiously fingering my hot slit, I gasped my pleasure out loud, the bedsheets muffling my cries as my arse and pussy throbbed with stinging pleasure. "That's good," John said. "Do it faster and I'll spunk all over your fingers as you rub your dirty little pussy."

"No. I want you to do it deep in my tight little arse," I replied, flexing my muscles as I tried to make John cum first.

"Oh, fuck! You dirty little slut." The bed started shaking violently as John gave me his short strokes before he slammed into me as he started pumping spunk into my bowels. As he teased out the maximum pleasure with random thrusts, my fingers bit more deeply into my slit, crushing my clitoris against my pubic bone. With my bum held high, I almost swooned as the blood rushed down into my head but the orgasm when it came was sheer delight. Still holding my spasming pussy, I slumped forward onto the bed. John gave an animalistic grunt of satisfaction. "That's why I'll never be able to give you up," he muttered, before heading into the bathroom.

I was lust drunk and barely able to focus but as the shower sprang into life I used my phone to take a picture of my reflection, already planning for the next time I wanted sex from John. I smiled as I saw the last message he'd sent me, "Don't move. I'm on my way."

If you recognize Juno Temple, it may well be because she's trod the boards at the Globe Theatre before. Or it might just be that you're a sentient being with functioning eyes who watches movies – as Miss Temple appears to be naked in all of them. We had an embarrassment of riches to choose from last time round, but in 2013 she romped nude in *Horns* and, even better, donned lingerie and flashes her bristols in *Sin City 2*. This is one Temple we're going to always worship at! ♣

DOWN THE WIRE

Get Your Kicks!

This season's latest 'pumps'.

It's good to see the Middle Ages barter system is still alive and well, much to Jason Duval's fortune. Duval, an alleged drug user, was in court on Friday facing drug charges dating back from

2012. When faced with a few days in jail as compensation for court costs he was unable to pay, the judge offered Duval the chance to be creative in insuring his return. Duval offered up his \$85 Nike trainers as collateral, which the judge accepted as bail. He definitely won't be running off anywhere.

A sexy Ku Klux Klan dream, earlier.

Casey Molter, 28, was arrested on charges of criminal mischief after trashing his apparently psychic girlfriend's 1997 Nissan Altima. The police were called to break up an altercation between the couple after Molter's girlfriend had a premonition that his dead grandmother would appear in his dreams and "commit an unusual sex act on him involving an adult erotic device". Not something to remember your grandmother by.

Vanilla Vice!

All you bakers out there beware – your vanilla muffins could make you a tad squiffy... if you down two bottles of vanilla extract, that is. 46-year-old Carolyn Kesel is accused of drunk driving after blowing a .26 on a breathalyzer test. At over three times the legal limit, Kesel allegedly told police she'd just downed two bottles of vanilla extract, when she was stopped after swerving around the Walmart car park. Previously convicted of DWI in 2006, she is currently being held on remand on a \$20,000 bond.

Gonna run me down some dogs!

Daddy's Girl!

Pennsylvania father Reginald Hardy was arrested and charged with aggravated assault after chopping off the dreadlocks of his daughter's male friend. The unnamed 19-year-old was apparently caught by Hardy sneaking around with his 17-year-old daughter. Police say Hardy punched the 19-year-old in the face and threatened to shoot him in the back if he ran. Hardy is currently being held on a \$50,000 bail. No women, no cry.

TALKIN' BLUE

Got an experience to share? Then send it in to Talkin' Blue at the usual address and if it's up to scratch you'll bag yourself £50!

ON YOUR BIKE!

I hope you don't think I'm too weird to print my letter, but I wanted to tell you about what my boyfriend and I get up to in our role-play sex games. You see, I'm totally obsessed with cycle racing – it's a bit of a fetish for me.

Luckily my boyfriend, Gordon, is more than happy to go along with my urges, now that he's got used to them. The whole thing turns me on so much that my pussy gets wet just watching the Tour de France on telly. The muscled legs pumping away, those little goggles they wear, and of course, the spray-on Lycra shorts. Mmm, I'm going to have to finger myself to a frenzy in a minute.

Anyway, about once a month, Gordon will dress up entirely in cycling gear, including the hat and everything. I'll lie on the bed naked, stroking my pussy and caressing my firm breasts, while he climbs on the exercise bike and pedals at least a couple of miles while I lie there, ogling him.

Watching his thighs in those clinging shorts straining to go faster, and the sweat soaking his little yellow vest guarantees me a minimum of two orgasms before he collapses in exhaustion beside me. Now it's his turn for some fun. I'll rub his dick through the taut black material until his huge erection is bulging in my hand, and smother his face

with my soaking wet quim.

As he struggles to catch his breath between my thighs, I'll start to suck his knob through his shorts. Flicking the rock hard tip with my tongue, I'll drag my teeth gently down his shaft as he gobbles up the cum that's now oozing from my slit.

After a few minutes work on his dick, I'll feel his groin muscles start to twitch. That's my cue to suck as hard as I can until his thick, creamy sperm squirts from his prick and leaks through the Lycra into my hungry mouth. As I do this, my hand will slide up inside his shorts and I'll smear the lovely mess all over his cock and balls, withdraw my coated fingers and lick them for dessert.

Luckily Gordon seems to enjoy my fantasy as much as me, and has even bought himself some expensive professional cycling shoes to complete the outfit. All I need now is for him to learn French!

Amanda, Chepstow

“I'll start to suck his knob through his shorts, flicking the rock hard tip with my tongue”

myself down there I'll be wet. Oh yeah, it's true. Why don't you lick my finger and see for yourself?

Tastes good, doesn't it? I want to taste some, too – why don't you put your finger down there and let me lick it? That's it; stick it right up – the juices furthest in taste best. Now give me your finger to lick. Mmm, de-fucking-licious! I can see the way I swirl my tongue around your finger is making an impression on you, but you'll get yours in a moment. When I turn over I want you to tickle my bum crack with the scarf, ever so gently. Just tease me with it; go on. Oh yeah, I like that; I like that a lot. It gets me so sopping wet, there'll probably be a little damp patch underneath me when I roll over again.

Why don't you put your finger there? Dip it in my pussy and draw the wetness up to my arsehole, make it nice and moist. Fuck, yeah, that feels so naughty. I just love feeling naughty. Doesn't my arsehole feel inviting to

TIE ME UP, FUCK ME DOWN!

Hey there, lover boy. Need to feed your sexual imagination? I hope so, because I'm cooking for two! And guess what today's special is – bondage. Fucking right – I want you to tie me up and fuck me; restrain me and then do whatever the hell you want to me, because that's what turns me on the most. Hope you don't mind if I play with myself with this dinky shiny vibrator while I fantasise about you – I reckon it'll get me talking dirtier.

Go on, come closer, and bring those chiffon scarves. I want you to peel me out of my white cotton underwear, and tickle me with a scarf. That's it, just lightly run it over my tits. Mmm, that feels lovely. My titties may be small, but they're jam-packed full of sensation. Just the lightest touch sends shivers up to the back of my neck and down my spine again. I bet if I touch

you? Don't you just want to bend your head down and lick it, ever so gently, with the tip of your tongue? That's the stuff, baby, now probe a little, open me up with your tongue. Jesus! That's so good it's got to be illegal! Now I really fucking want it – bring that cock here!

That's such a nice-looking knob you've got there – all swollen and succulent. How would it feel if I were to plant a little kiss on the top, right here? You like that? How about a little tongue working over your Jap's eye? That good? I bet it is. I want this cock down my throat, and here's how we're going to do it. I want you to tie my arms up, one to each of the bed posts, kneel over my chest and fuck my mouth. That's it, tie them nice and tight, but not so tight that it cuts off my circulation. A few pillows under my head should get me to the right height. That's it – now I'm all yours. That fat, meaty cock of yours is pointing straight at me – I can't wait to engulf all of its length.

I've always loved the feel of a cock as it slides into my mouth, inch by inch. My lips are stretched wide to accommodate your girth as you go in. So you want deep throat,

That's it, in and out, fuck my face. I want to feel your jizz-filled balls slapping against my chin"

huh? That's fine with me – I take it as a personal challenge to fit as much cock in as possible. There are few things finer than feeling a meaty cock throb in your throat. That's it, in and out, fuck my face, I want to feel your jizz-filled balls slapping against my chin. You're speeding up now, really packing it in. I so badly need to touch myself but I can't – I guess I'll just have to wait for you to do it later. The headboard's banging against the wall like crazy, but I don't care, it just adds to the sleazy atmosphere.

Are you going to cum in my mouth so I can taste your hot spunk – maybe have it overflow so I get to feel it trickle down into my stomach? Or maybe you'll jizz on my tits, warm splats on my nipples – that's so filthy, I've always liked that. Oh, don't slow down – can you hear my hungry cunt calling you, just begging to be filled? You can! Then fuck me, please fuck me! I want my tight cunt to be stretched around your man-meat, with my legs around your back helping you hammer into me. With my arms tied up you can go as hard and as fast as you like – the harder the better!

That's it – slip a finger into my cunt to make sure I'm ready. It doesn't get much wetter than this, baby – dive on in. Mmm, now you're sliding your hands from my shackled wrists, down my arms, and squeezing my little titties; pinching the nipples so they stand up nice and erect. My hip-bones are your

next target – you grip them firmly to brace me for your entrance.

After casting a glance over my restrained form, you thrust in. I can feel the rim of your helmet as it pushes into my tight little snatch. I squeeze you, making it as difficult as possible to get that bulbous helmet all the way in. That makes it all the more satisfying when, with a grunt, you slam into me entirely. It feels heavenly to be stimulated by such thick, hard cock. That blowjob has got me at the point of orgasm already. Slam into me, go on – I want to hear the hard slap of flesh against flesh.

You're in a steady rhythm now, big strokes; all the way in and all the way out again. I feel your hand move from my hip and start creeping towards my bum crack. Your finger slides down the greased cleft between my buttocks, towards my dark centre of pleasure. Gently, you rub around my arsehole, teasing me, and all the time your tool's pumping in and out. You leave your finger still and let the pumping action push me onto your finger, millimetre by millimetre. Fuck, that's good. The first fraction of your finger that goes in causes my whole body to tense up and I clamp, vise-like, around your dick. The more finger you put in, the wilder I'm getting, until I'm pushing my bum back down on your finger, wanting to feel it all inside me. Ah, top knuckle job, lover! As the entirety of your finger slips in, I feel so goddamn filthy. I can't

“Your throbbing dick sends out jet after jet of hot spunk into my eager pussy. I’m getting ready to cum too”

contain myself, and I bite down on your shoulder.

I can feel your urgency building. Your breathing’s heavy and ragged, as is mine. Your cock feels like iron inside me, and I know that you’re going to cum soon, so I squeeze my cunt-muscles to help you along. They grip your dick like tiny hands, wanting to milk as much spunk out of you as possible.

You oblige; your throbbing dick sends out jet after jet of hot spunk into my eager pussy. I ram myself back onto your finger – I’m getting ready to climax, too. You see, the feel of a man shooting inside me is the most intensely erotic sensation – it’s guaranteed to get me off, too. My sopping pussy and

arsehole contract around your cock and finger and I strain against my bonds in my ecstatic writhings. Mmm, that’s sooo fucking good, my whole body’s shaking all over from the sheer force of my orgasm.

Bloody hell – that was huge! It’s going to take me a while to recover from that one – bet I’ll be wanking over it for months! We’ll have to do it again, and soon, loverboy!

Natalie, Milton Keynes

A FEEL FOR FETISH!

I used to think fetish clubs were just places full of lonely guys looking for pervy thrills. After my experience last Saturday, I now know different.

A couple of my friends at work had invited me to this monthly club night called ‘The Hedonist’s Picnic’ on the outskirts of town. They said it was the weirdest and sexiest evening out they’d ever had.

One had to dress to excess, and as I didn’t have anything at all outlandish in my wardrobe, being a fairly conventional girl, my mates provided my clothes. I must admit the

black patent leather thigh-length boots, fishnet stockings, rubber skirt, lace-up basque and long red wig made me feel really horny. The thought of how the cab driver would react if he saw what I was wearing under my coat made me feel like a right dirty slut.

The interior of the club was dark except for a huge screen on one wall. It showed a girl in rubber with a massive strap-on dildo-fucking another girl in the arse. I was shocked at first, but excited at the same time. As I looked around at my fellow clubbers, dressed in rubber, leather and some in hardly anything at all, I got more and more turned on.

After a few drinks and a while getting used to dancing in my high heels, I started to get into the rudeness that was surrounding me. A guy in leather trousers was licking up the boots of a group of girls. I joined them and shivered with excitement as he licked my boot, then my fishnet-covered thigh, before suddenly burying his face into my crotch beneath my rubber skirt.

A girl clasped my tits from behind and manipulated my nipples through my basque as a crowd gathered to watch me getting sucked. His tongue was deep inside my gash, but I didn’t pull away as all the attention was making the juices pour out of me into his mouth. I came straight away, propped against the girl groping my breasts.

I felt so filthy climaxing in public that I didn’t bat an eyelid when a meaty cock was thrust into each hand and another was rubbed against my rubber-clad arse.

I even spent some time in the ‘Feely Bin’. That’s where men and women push their hands through holes in a cabinet in order to feel and grope somebody. Fingers probed my cunt and arse and hands mauled my tits as I lost count of my orgasms.

The club is now a regular haunt of mine and my wardrobe is full of sexy gear that would make a whore blush. I’ve made loads of new liberated friends and my life has taken on a whole new level of meaning. *Patricia, Newcastle. ♣*

NATALIA ♣

Anything Holly can do...

We've already marvelled at the precision and attention to detail of the shave Holly Gibbons gave her pussy in this issue, but her compatriot Natalia seems interested in giving her a run for her cunny.

Yes, ladies and gents, we have a shave-off! Their techniques are very similar but, as no two pussies are alike, the end results still bear scrutiny. Of course, we also need to compare and contrast, and while we can do that by flicking between the two photosets, wouldn't it be a lot easier if we could just line the two of them up on a bed next to each other and break out the magnifying glass? It goes without saying we'd need a slightly less kempt pussy there to use as a 'control', so they should invite another girl along. Only when all three babes are lying down, legs open, can we start the judging... ♣

CARTER ♣

Cruise cooze...

American magazines and websites are chocka with interviews and articles about how Carter Cruise was a college student and sorority girl who – shock! horror! – became a porn star. As if that’s not something that happens every month. In fact, the world of porn is much nicer than those silly frats, full of hazing cunts who will one day run the country (into the ground). No, she’s better off in a world where she has dick and fanny on tap, gets paid for the privilege and can appear in discerning magazines like this one... ♣

BEXIE ♣

Over a cup of tea and a biscuit, we were joined by Bexie Williams, the leggy model who's been gracing the Daily Star with her crowning teapot lids. Bexie was all fun and giggles as she told us "I can't believe how quickly last year went and how much happened. My modelling career seems to have taken off!"

It certainly has, as have all your clothes! ♣
